MACEIÓ

Surrounded by lagoon and sea, the capital of Alagoas is famous for its beaches and natural pools with warm, crystal clear waters. The waterfront, one of the most beautiful in Brazil, has 16 km of bike lanes, a sidewalk and several options of kiosks and restaurants.

LAGOONS, SEAS AND RIVERS OF THE SOUTH

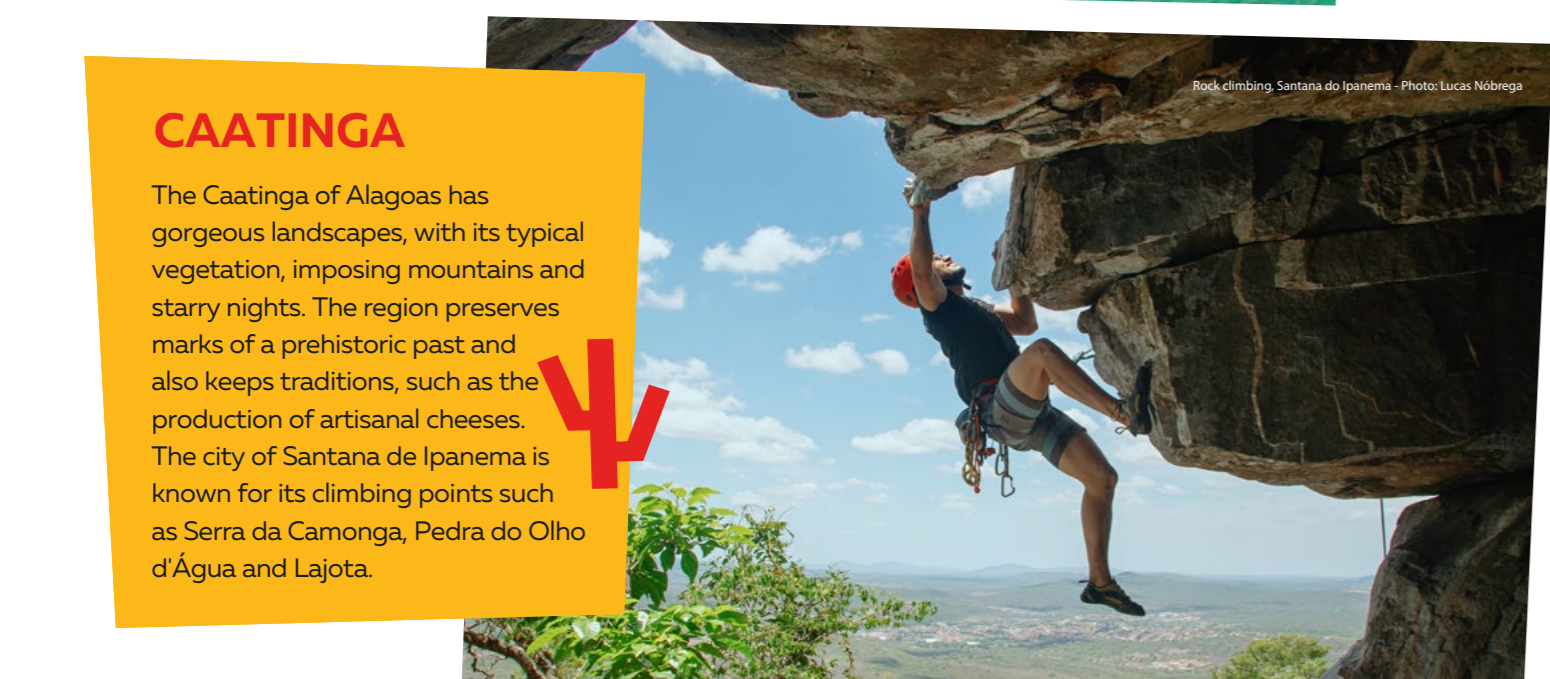

From the mangroves of Mundaú Lagoon to the mouth of the São Francisco River, in Pontal do Peba, the South region holds destinations that are very popular with tourists and locals, such as the famous Praia do Francês and the coconut trees and cliffs of Jacarecica do Sul.

QUILOMBO REGION

Alagoas has a lot of history to tell. It was the stage of Dutch invasions, it saw the birth of the Republic and also witnessed black resistance, as can be seen at the Memorial do Quilombo dos Palmares, in Serra da Barriga.

CAATINGA

The Caatinga of Alagoas has gorgeous landscapes, with its typical vegetation, imposing mountains and starry nights. The region preserves marks of a prehistoric past and also keeps traditions, such as the production of artisanal cheeses. The city of Santana de Ipanema is known for its climbing points such as Serra da Camonga, Pedra do Olho d'Água and Lajota.

SÃO FRANCISCO RIVER CANYONS

In Alagoas, the legendary São Francisco River draws a path full of beauty. In the towns of Delmiro Gouveia and Olho D'Água do Casado, the waters of Velho Chico cross the Caatinga vegetation between extensive stone canyons, creating landscapes that are pure poetry.

CULTURE, CRAFTS AND GASTRONOMY

The richness of Alagoas culture can be seen in its museums and historic cities, such as Penedo and Marechal Deodoro. Visit handicraft centers, such as Ilha do Ferro and Pontal da Barra, and enjoy a diverse cuisine, which brings delicacies from all the regions.

AGRESTE

With rich handicrafts and many options for experiences, the Agreste region has trails that lead to indigenous villages in Chapada da Borborema, in Palmeira dos Índios, and visits to mills that produce award-winning cachaças, such as Caraçupe (Campo Alegre), Gogó da Ema (São Sebastião) and Brejo dos Bois (Junqueiro).

CORAL COAST

The second largest coral reef in the world begins in the natural pools of Ipioca, gives way to the cliffs of Carro Quebrado, protects the coconut groves of São Miguel dos Milagres and dazzles visitors in the galleys of Maragogi.

HISTORICAL HERITAGE

When we travel through Alagoas we also get to know part of the history of Brazil. Cities listed for their historic heritage such as Marechal Deodoro, Penedo and Piranhas present not only beautiful landscapes, but pieces of the history of politics, architecture, religion and Brazilian culture with their churches, museums, streets and alleys.
